

you are invited to an exhibition of  
*Coffee Canvases*  
by jon hawley

*By a unique process, the extract from a common coffee bean is utilised to create these timeless and permanent works of art, revealing hidden mysteries to those who wish to explore. With its permanent rich brown patina and subtle textures, many of the paintings emulate the sometimes parched Australian inland and the forces of nature at work.*

may 10 - 31 opened by **mirabai** (artist/violinist) drinks 6-9pm on wednesday may 10 at the **art moment gallery**

Born in Sydney, Jon has been involved in all aspects of design and fine art. He has a permanent installation in the foyer of the Mitchell Library and designed and produced the new Heritage Gallery at the State Library. Jon has designed countless corporate images including Bankcard, a Channel 10 logo, Newspoll and The University of NSW.
