"Life's A Beach" is an infusion of striking oil colours portraying local beaches, scenes and personalities. The artwork vibrantly captures on canvas cameo glimpses of life through local artist, Vivian Falk's eyes.

Also being exhibited will be sculptures by Bess Galgut that are inspired by her life while in South Africa. Bess is noted throughout the international art community and her artwork has been collected in Brazil, Portugal, Canada, Israel, Britain, South Africa, Australia and New York.

*You are cordially invited to the opening of local artists,
Vivian Falk & Bess Galgut's exhibition - "Life's a beach".*
